3.2 Activity&Screenshot

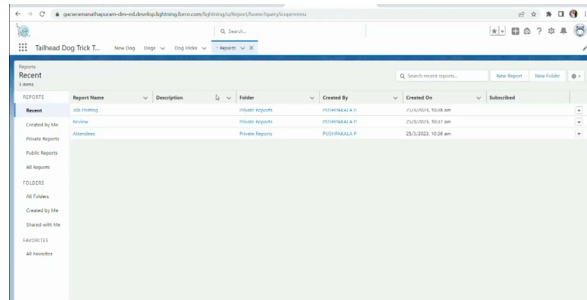

The screenshot displays the Lightning Experience user interface across three different views:

- INSTALL A PACKAGE:** The top view shows a search bar with 'CHAPROCD000000' entered and an 'Install' button. Below it, a note states: "Note: This tool is only available in Trailhead Playgrounds. You won't find it in your production org. Learn more about installing apps in the Trailhead Playground Management module on Trailhead."
- Installed Packages:** The middle view shows a table of installed packages. The first entry is 'Recruiting Manager 1.2' by Salesforce, installed on 11/11/2023 at 8:00 pm. The table includes columns for Package Name, Version, Package Type, and Installed By.
- Job Posting Site:** The bottom view shows the details of the 'Job Posting Site' app. It includes a description, a list of components (e.g., Job Posting Site, Job Posting Site), and a list of related links (e.g., Job Posting Site, Job Posting Site).

The screenshot displays the Lightning System Manager interface across five different configuration pages:

- Job Posting Site:** Shows the 'Fields & Relationships' section with a table of fields and their relationships. Fields include 'Created By', 'Created Date', 'Last Modified By', 'Last Modified Date', 'Site Name', 'Status', and 'Technical Site'.
- Position:** Shows the 'Page Layouts' section with a table of page layouts. The table has columns for 'Page Layout Name', 'Created By', and 'Modified By'. The 'Position Layout' is highlighted.
- Profiles:** Shows the 'Profiles' section with a table of profiles. The table has columns for 'Profile Name', 'Created By', and 'Modified By'. The 'Profile Name' is highlighted.
- Validation Rules:** Shows the 'Validation Rules' section with a table of validation rules. The table has columns for 'Rule Name', 'Error Location', 'Error Message', 'Active', and 'Modified By'. The 'Rule Name' is highlighted.
- Users:** Shows the 'Users' section with a table of users. The table has columns for 'User Name', 'Email', 'Role', 'Active', and 'Profile'. The 'User Name' is highlighted.
